

Gunnison County Metropolitan Recreation District
Request for Information

Purpose: The Gunnison County Metropolitan Recreation District (Met Rec) seeks information on **developed recreation amenity projects** being planned for, or implemented, by entities within the Met Rec service area that anticipate requesting matching funds from Met Rec in the 2021 calendar year. *Examples of such projects may include but are not limited to: field space, trailhead infrastructure, cultural arts facilities, community connector trails, etc.*

Entities are not required to submit an RFI in order to request 2021 funds from the Met Rec. However, the information will help inform Met Rec's 2021 recreation budget planning process.

RFI Posted: Monday November 9, 2020

RFI Due: Monday November 23, 2020

Qualified Entities: RFIs will be accepted from municipalities, non-profit organizations, and relevant special districts within Met Rec's service area (see map below).

Information Requested: Met Rec seeks to collect the following information from qualified entities planning for or implementing a recreation facility project with a minimum project cost of \$100,000:

1. A brief description of the facility being planned for and/or implemented (3-5 sentences).
2. Who will own and operate/maintain the facility?
3. Who is the facility intended to serve (2-3 sentences)?
4. What is the anticipated total project cost?
5. If matching funds will be requested Met Rec, approximately how much?

Please send questions on the RFI and responses to:
